Neighborhood Business News!

Square One Brewery & Distillery

1727 Park Ave. • 314-231-2537 • squareonebrewery.com

July sees the return of St. Louis summer. Despite whatever the weather may be, come to Square One Brewery & Distillery for a cold beer or cocktail. Enjoy snacks or a meal & the beverage of your choice in the comfort of our bar, dining room, or depending on the slightly unpredictable Saint Louis weather, the courtyard patio. Did we mention our courtyard is also pet friendly?

July also sees the return of several fan favorite beers. Helles Lager is a pale, golden lager beer brewed in the tradition of Southern Germany, where it is a staple in most breweries & enjoyed in their beer gardens. We will also have the Single Malt Scotch Ale returning this month. 100% Munich dark malt & one variety of hop transforms this “simple” beer into one of rich complexity. Whatever July in St. Louis may bring, Square One is ready and looking forward to seeing you again.

incite Design Studio • incitedesignstudio.com

Nine teams of architects, contractors, engineers & designers gathered at the St. Louis Science Center on Saturday, June 22, 2019 for the second St. Louis CANstruction event. The teams designed & built self-supporting structures from canned foods. Incite Design Studio participated in the event & came away with the “Best Original Design” and the “Science Center Employees Choice” awards.

More importantly, the biggest winner is our local community because, due to the generous support of our sponsors, our team purchased over 4,800 canned goods that will be donated to St. Louis food pantries. The total number of cans donated by all participants is almost 28,000 cans. Huge Success!!!
