### Square One Brewery & Distillery

1727 Park Ave. • 314-231-2537 • squareonebrewery.com

Well, fall is quickly approaching & that means several things for us at Square One.

First, our two most popular beers will be released in September: Oktoberfest & Spiced Pumpkin Ale. Each is unique & has its own passionate followers. Our Oktoberfest is true to the style made popular by the world's largest beer & food festival in Munich, Germany. Expect to see this beer on draft in the first week of the month. Our Spiced Pumpkin Ale is based on St. Louis' original recipe, created by our own Dr. John Witte, in 1996, while running Trailhead Brewery in St. Charles. Expect to see & smell the cinnamon & nutmeg spices of this beer on draft by the middle of the month.

The Classic Cocktail Party also finds itself, once again, being hosted in our own Lafayette Park on Saturday September 7, from 6-9 pm. This year the party has expanded to include even more local & regional distilleries, and will also have food available for purchase. Tickets for this event are available on Eventbrite. ## Lafayette Square Strategic Plan

Input is needed for the Lafayette Square Strategic Plan. The plan will establish a vision for the neighborhood & actions to be taken over the next five years to bring it to life, including consideration of a funding mechanism to support improvements identified by the community.

The quickest way to provide input is via a brief online survey: <https://www.surveymonkey.com/r/LafayetteSquare> - all are encouraged to complete!

### What is the Lafayette Square Strategic Plan?

The plan is a community informed planning effort to imagine the future of Lafayette Square & develop a roadmap for achieving our vision. The end result will be a five-year strategic plan that establishes goals, actions & potential funding strategies to support the long-term vision.

### Who is doing the Plan?

The planning effort is sponsored by the Lafayette Square Restoration Committee with participation from the Lafayette Park Conservancy, the Lafayette Square Arts Council and local businesses & residents. Shockey Consulting has been hired to help develop the Plan & facilitate public engagement. An Advisory Committee of local residents & businesses is working closely with Shockey to make sure the process & the Plan itself reflect the community's interests.

### Public Engagement Opportunities

Lafayette Park Pop-Up - NW Corner - Thursday, Sept. 5th - 4-7pm

Visit our table to learn more about the Plan, complete a fun activity or two to share your ideas for the future of Lafayette Square. Grab a snack for you and/or your pup.

Surveys will also be available at our pop-ups & at check-in for the Concert in the Park on Saturday, Sept. 7th (Jeremiah Johnson Band), 6-9pm.

We'll also host a public meeting this fall to share what we've heard from the community & get input on strategies to achieve the community's desired vision. Stay tuned for a date!

### Stay in Touch

Stay tuned to opportunities for public input through Lafayette Square NextDoor & the Lafayette Square Community Facebook page. To be added to our mailing list to receive notices directly, email Beth Quindry, Strategic Plan Project Manager with Shockey Consulting: [beth@shockeyconsulting.com](mailto:beth@shockeyconsulting.com)

Thank you for supporting your local Lafayette Square businesses!  
We look forward to seeing you this September!
