

Lafayette Square Community Resource Relief Supply Drive

Week 1; Sunday 5/10/20 thru Saturday 5/16/20 - LifeWise STL (previously Kingdom House)

The Lafayette Square Community is working to identify a community-wide effort to help regional families impacted by the COVID-19 crisis, school closings and the challenges these families are facing. In order to help in the most efficient and expedient way, we have reached directly to our community advocates to identify ways to help.

Ways to Give:

Food & Supplies (see list below) - 2 drop off locations:

- Park House (Lafayette Park), 2023 Lafayette Ave, 63104 – Saturday, May 16, 2020; 9am-12pm
- Mistretta Home, 1205 Missouri Ave, 63104 (drop off items on front porch)

Money - always a great way to support the need. To give directly to LifeWise STL, www.lifewisest.org. Donations can also be made to LSRC (*designated to LifeWise STL COVID support*) Funds will be accumulated and transferred to organization at week's end. Giving can be done online (www.lafayettesquare.org) or check (drop or mail at the Park House, 2023 Lafayette Ave).

We understand this is a changing landscape for our communities. We are moving into an ever harder time with job layoffs, no daycare and potentially no summer camps for working parents. As a Lafayette Square community, we want to be nimble and strategic to the need of our neighbors.
