Dear Neighborhood Supporter,

The Lafayette Square House Tours have become some of St. Louis' most anticipated and beloved traditions during the Spring and Holiday seasons. Last year, due to the ongoing pandemic, we held only the Spring Tour – showcasing our neighborhood's wonderful gardens. Volunteers spent much of this past Summer and Fall working to bring back both of our beloved tours for 2022. As a supporter of the Lafayette Square community, we want to share with you all the details. We also invite you to consider supporting the event and/or promoting your business, through our 2022 sponsorship opportunities, outlined below.

GARDEN TOUR & ANTIQUE FAIR: Saturday, June 4, 10am-5pm

In this self-guided Urban Oasis and Garden Tour, the scent of blossoming flowers and the gurgle of fountains will take you places you will be talking about long after you leave the gardens tucked into the storied neighborhood. For over 50 years our residents have opened their gates to the public - revealing some of the most beautiful gardens in the city. From sleek, modern patios to vibrant plant-filled courtyards and hidden gardens, guests will visit some of the city's most beautiful outdoor spaces. This year, we also welcome back the popular outdoor Antique Fair, as well as numerous other favorites, including:

- Vintage car display
- Local vendors
- Classic trolley
- Food and drink
- Historic 1860s baseball
- Concert in Lafayette Park

SPONSORSHIP & DONATIONS

These events are the primary fundraisers for the maintenance and improvement of Lafayette Square. We held our first home tour in 1969 during the preservation movement taking place in the city at that time. Over fifty years later our mission remains the same.

Proceeds from this year's tours and events will help provide funding for environmental stewardship, maintenance, safety, beautification and to support other nonprofit organizations in and around Lafayette Square. The Lafayette Square Neighborhood Association (LSNA) is a not-for-profit organization that facilitates the preservation and redevelopment of Lafayette Square, respecting its special historic character and enhancing its overall livability for residents and visitors alike. If you value the beauty and magic of this special neighborhood here is your chance to show your support
